Proposals submitted after the above deadline will not be accepted.

After the submission of the detailed proposal (Application Form & mandatory documents) by the potential Lead Beneficiary, the selection process and approval of projects is as follows.

9.1 Evaluation of the proposals by the Managing Authority of the Cooperation Programme in two stages:

Stage B' – Evaluation of the Project Proposals

The evaluation is based on methodology and criteria approved by the Monitoring Committee, which are attached to Stage B call and begins after the deadline for submitting Project Proposals of this call.

This stage consists of three phases as follows:

Phase B1: Administrative & Project Eligibility Assessment

Phase B2: Quality Assessment

Phase B3: Beneficiaries Eligibility Assessment & State Aid Compliance for Project Proposals which have been positively evaluated in Stages B1 and B2

During the evaluation, the MA may request the beneficiary, at Stage B' of the evaluation (B1 & B2 Phase) to submit additional information and clarifications, within a specific deadline.

Additional data are those which, while foreseen in the Call, were not submitted due to an omission (or a set of permitted errors) by the potential beneficiary and have been issued before the submission of the proposal. Clarifications are items requested by the evaluator(s), in order to clarify the submitted information and better understand the content of the proposal. In the case of an external evaluator from the Register of Evaluators, clarifications can be requested exclusively through the Managing Authority provided its consent.

Upon completion of the comparative assessment of Phase B1 & B2, the proposals are ranked in descending order based on their score per Specific Objective, following the approval of MC. Upon the completion of comparative assessment, projects as approved by MC proceed in Phase B3 assessment.

9.2 Publication of a provisional list of evaluated proposals for Stage B - for Phases B1 & B2 and for Phase B3.

9.3 Submission and examination of complaints

The potential Beneficiaries may submit a complaint to the competent MA regarding the results of the evaluation (see PPIM). Complaints are submitted once per evaluation stage, within a subversive deadline of seven (7) working days from the day following the notification of the evaluation results, namely:

b) of the Provisional Ranking Table of evaluated proposals issued during Stage B': Phase B1' & B2' of the evaluation.

b) of the Provisional Ranking Table of evaluated proposals issued during Stage B': Phase B3' of the evaluation.

Upon completion of the examination of the complaints concerning:

- Stage B': Phase B1' & B2',
- Stage B': Phase B3'

of the evaluation, the proposals for which the Complaint is accepted are added to the ranking table, in the order in which they are ranked by their score, in order to produce the Final Ranking Table of evaluated proposals. (see PPIM).
